Profile

Vision & Mission

Mr. Shyam Lal Sharma incepted his vision of starting his own business in the year 1996, in New Delhi, India which he named as "Shyam Electric Stores" after having experience in the same field of over 31 years. His vision is to deliver quality range of products to his precious clients, reason why he is linked with prestigious vendors of the market.

Under the management of our Managing Owner, "Mr. Mohit Sharma", we have acquired the goodwill of the industry by practicing righteous business policies. His enormous industry knowledge has proven us in carrying out various business activities in a hassle free manner.

Be the brand of choice for electrical goods supply for our clients. Being passionate for our service to client we constantly kept eye on the quality product supply and on time delivery.

GOALS & OBJECTIVES

Our complete product array is sourced from the reliable vendors of the market. The offered products are manufactured using high grade raw material and sophisticated technology as per the set quality standards. These products are highly demanded in the market for their features like durability, easy to install, corrosion resistance nature, perfect finish, flexible and lightweight. In order to fulfill the diverse requirements of our clients in the most efficient manner, we provide these in different specifications. In addition to this, clients can avail the offered products at industry leading prices within given time frame.

Our vendors are selected by our team of procurement agents who conduct deep market research to select them and on the basis of their market reputation, past record, used capital, and delivery schedules. We maintain a steady relationship with our vendors and they also co-operate with us. Our strong vendor base helps us to deliver high quality products to clients within the scheduled time frame and enables us to maintain our success as a leading company in this domain., Due to the sincere efforts of our experienced and skilled professionals, we have earned a good reputation in the sector of offering the superior quality products. Rich domain expertise and industry experience assist us in meeting the precise requirements of the market as well as of our valued clients in the most efficient manner. In addition to this, our personnel easily adapts to the latest changes taking place in the market in order to serve the clients in a better way.
